*On a cold December night in Texico City,  
a young librarian is quickly spotted by 3 hooligans...  
Scott Vance, His friend Crelvin Vultura and  
Crelvin's brother Hank.*

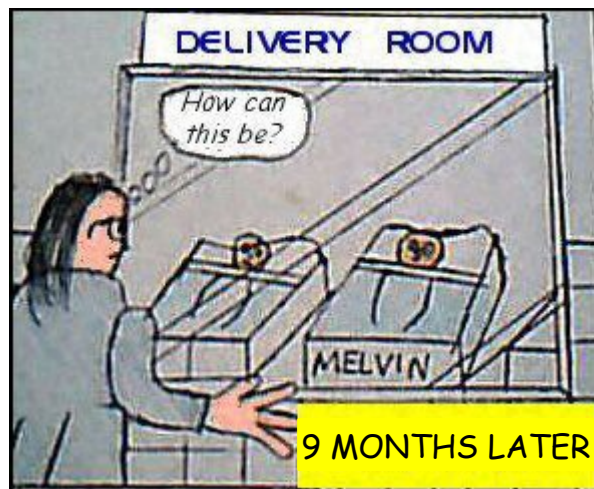

SUN 12:02 A.M.

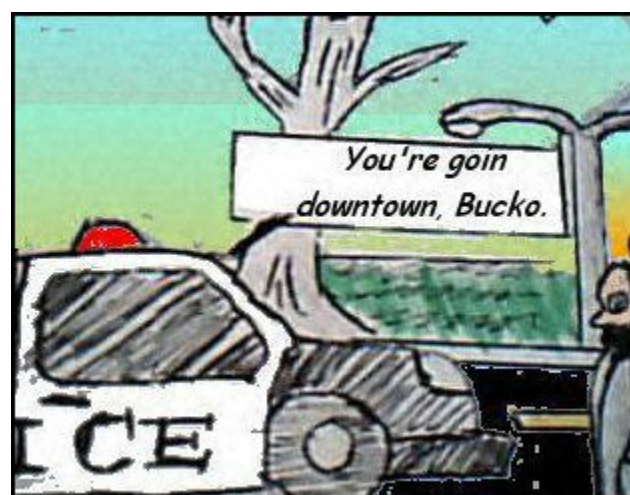

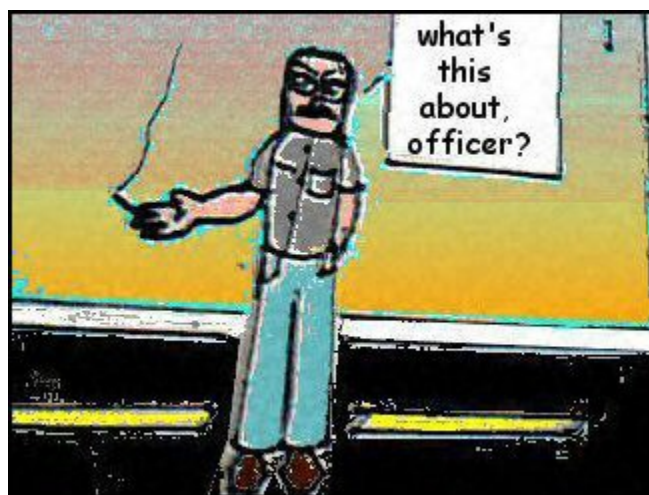

SUN 2:24 A.M.

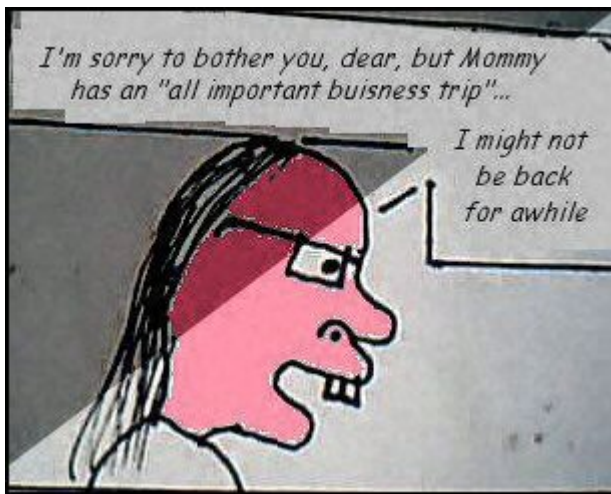

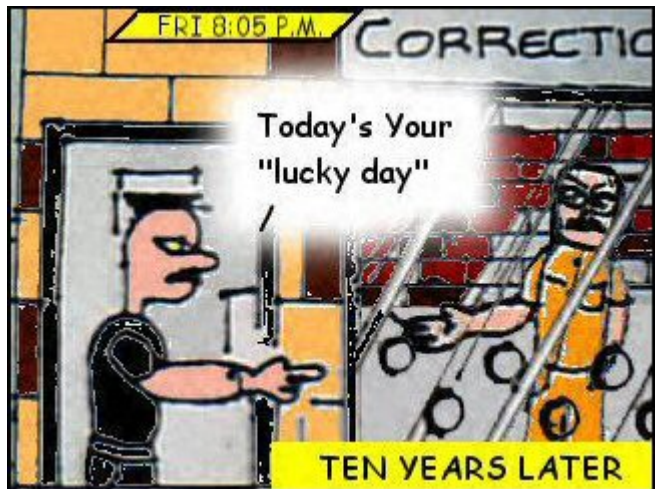

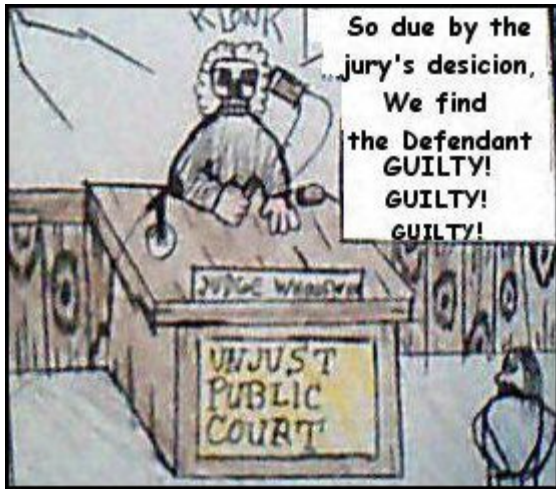

9 MONTHS LATER

As for Melvin Vultura, life has just begun but for Crelvin, He would find out what it pays to "have fun" because Later that afternoon, (unbeknownst to Him) Impending doom awaits...

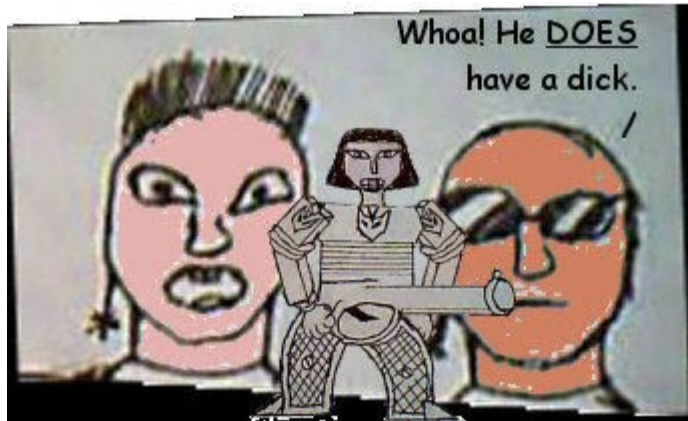

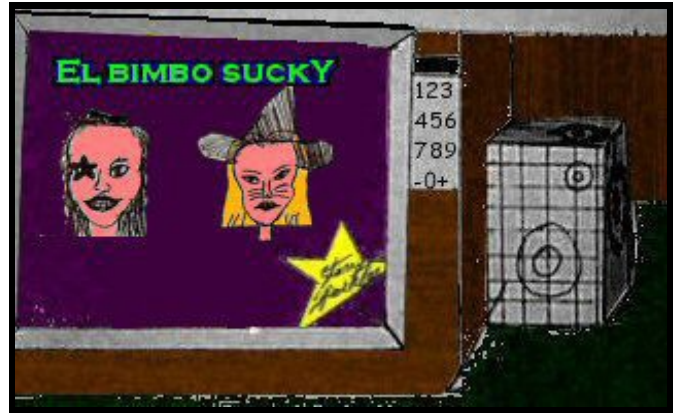

SAT 7:24 P.M.

Melvin's friend Jason Fink pulls a toy out of His backpack but just then, Melvin notices something rather inappropriate about this action figure...

Melvin & Jason Fink sit down to watch the talent show "Starry Sparkles" because His favorite singers "El Bimbo Sucky" & "Crustaina" are on.

Later that night as they gather around the campfire, Crelvin pulls out the bag of multicolored chalk-rocks He had purchased earlier that day and then proceeds to throw it into the potpourri - laden bonfire in celebration of His freedom.
