VERSE 1

Well I'm a-running down the road trying to loosen my load
I've got seven women on my mind
Four that want to own me, two that want to stone me
One says she's a friend of mine

CHORUS 1

Take it easy, take it ea - sy
Don't let the sound of your own wheels drive you crazy
Lighten up while you still can
Don't even try to understand
Just find a place to make your stand and take it easy

VERSE 2

Well I'm a-standin' on the corner in winslow, arizona
With such a fine sight to see
It's a girl, my lord, in a flatbed ford
Slowin' down to take a look at me

CHORUS 2

Come on baby, don't say may - be
I've got to know if your sweet love is gonna save me
