VERSE 1

G Am
Watermelon
G Am
Sweet, sweet, sweet
G Am
It almost hurts my
G Am
Teeth, teeth, teeth
G Am
Love that red and
G Am
Juicy, juicy taste
G Am
Watermelon puts a
G Am
Smile on my face!

VERSE 2

Watermelon
Party time
Eat up the red fruit
Not the rind
So much water
In every bite
I sure won't be
Dehydrated tonight

VERSE 3

Watermelon
Add some salt
To make the sweetness
Pop out more
Love that green
And heavy, heavy ball
Watermelon's bigger
Than a football
