

## Walk On

Written by Michelle Drummond

### Verse 1-

My heart is heavy burdened  
This trial has reached its peak  
My spirit is determined  
But my body gets so weak  
I'll walk out of this trial  
And I'll look back no more  
And I will give it to Jesus  
Like so many times before....

### Chorus

I must live what He said  
And learn how to walk  
I will lift up my head  
And stand strong when I talk  
When I kneel at the cross  
And lay it all down  
I will leave it alone.....  
And walk on!

### Verse 2-

So many times I've stumbled  
While traveling down life's road  
But with lifted hands I'm humbled  
For there's one thing I know  
No matter the hour  
Or the trial I must face  
I can give it to Jesus  
And standing strong I'll say.....

### Tag

And when I kneel at the cross and lay it all down  
I will leave it alone (leave it alone)  
And walk on.....  
Walk On.....  
I'll lay it down (I'll lay it down)  
Leave it alone (leave it alone) and walk on
