

Kyrie – “Lord Have Mercy on Me”

Words by Pastor Tom, Music by Linnea

*Am*            *F*        *Am*            *F*  
Lord, have mercy.    Lord, have mercy on me.  
*Am*            *F*        *Am*            *F*  
Christ, have mercy.    Christ, have mercy on me...  
*C*            *F*        *G*  
I am a prisoner, held captive to my sin;  
*C*            *F*                    *G*  
A battle for my soul, I can't ever win—  
*Am*            *F*        *Am*            *F*        *Am*    *F*        *Am*    *F*  
Lord, have mercy.    Lord, have mercy on me.

*Am*            *F*        *Am*            *F*  
Lord, have mercy.    Lord, have mercy on me.  
*Am*            *F*        *Am*            *F*  
Christ, have mercy.    Christ, have mercy on me.  
*C*            *F*                    *G*  
For what I've done and said,    left unsaid and ignored,  
*C*            *F*                    *G*  
For treating your love            as a commodity I can hoard  
*Am*            *F*        *Am*            *F*  
Lord, have mercy.    Lord, have mercy on me.

*Am*            *F*        *Am*            *F*  
Lord, have mercy.    Lord have mercy on me.  
*Am*            *F*        *Am*            *F*  
Christ have mercy, Christ have mercy on me.  
*C*            *F*                    *G*  
For not loving you,            and not loving each other;  
*C*            *F*                    *G*  
For not loving as myself    my sisters or my brothers—  
*Am*            *F*        *Am*            *F*  
Lord, have mercy.    Lord have mercy on me.
