

## **SUCCESS EXPRESS - COVID POLICY**

Live music venues around the UK will return to full capacity on Monday 19th July and we all want to welcome you back as safely as we can, so we will be taking some extra measures to keep you safe and to protect our staff, artists and crew:

### **SYMPTOMS**

If you have Covid symptoms or believe you may have been exposed to infection, please do not attend our events and expose others. If you miss an event for this reason and you already have a ticket, we will happily refund you.

### **MASKS**

For the safety of venue staff and fellow guests, we encourage you to wear masks, but you are not obligated to do so. It's your choice. Our venue policy is for all staff to wear masks until further notice.

### **VENUE SAFETY**

We are in constant contact with our partner venues regarding covid check in procedures, thorough cleaning measures, hand sanitizer stations, and AHU ventilator and UVC virus-killing units where appropriate and possible. Where not possible, ventilation will be observed and we encourage guests to make use of outside spaces during the evening.

### **HANDSTAMPS**

Handstamps will be replaced with wristbands on entry until further notice

### **AND A REQUEST FROM US**

Before coming to one of our events, we recommend you do everything you can to make sure you are personally not infectious.

You can do this by:

- *Getting vaccinated*
- *Taking a lateral flow test*
- *Registering that you are immune (because of previous infection).*

We will not be excluding any of our guests but urge them to be kind and thoughtful for the safety of others, whilst there are still large numbers of people who have not been vaccinated, or are vulnerable or immune suppressed and will therefore be unable to receive a vaccination.

We are ready and can't wait to see you!
