

Mama's Black Sheep

Hello Everyone,

Today is the official start of Fall and we can hardly believe summer is already over! While we are doing our best to continue with outdoor events as long as weather permits, we do have more indoor shows coming up this fall. Take a peek at the remaining September and October shows below.

We hope everyone is staying safe and healthy as kids go back to school, and we all wait and see what changes may occur as a result of the "delta variant" and the predicted winter resurgence of COVID. It is our hope that live music will continue to be a possibility for all of us, and we will do our best to make sure the venues we work with are staying safe, monitoring/test staff, and upholding common sense rules for social distancing. We know some people are not able to get the vaccine because of medical or personal reasons, but we hope those who are able will do so.

We just placed an order for new merchandise, so check the [SHEEP SHOP](#) in a few weeks for what's in stock for fall/winter attire and gifts! We've got lots of exciting things coming up for winter as well including a trio of Holiday co-bill shows with [Christine Havrilla](#), and of course our annual winter tour to St. Croix!

Wishing you all a Happy Fall, we hope to see ya soon!
-Ashland & Laura
