

# “Music” - by Butterfly Fish

## REFRAIN

**F** **C**  
We are going to a place where music falls and fills up everything  
**F**  
Though it might be a long time, know it's gonna be alright  
**C** **F**  
'Cause we've already started to sing

## REFRAIN

We are going to a place where music falls and fills up everything  
**F**  
Though it might be a long time, know it's gonna be alright

## VERSE

**C7** **F**  
Come and go with me - we can walk together  
**C7** **F**  
Climb any mountain - brave any weather  
**Bb** **F**  
The place we're going - is a beautiful song  
**C7** **F**  
And while we're on our way we can sing-along
