

Just Be Gone

Written by Jessica Lynn

Yeah you're obsessed, You're outta your mind
Your crazy little games you think they'll make me fall in love every time
Give it a break, Why don't you give it a rest
I gotta getcha goin, getcha you off my case oh you're just a mess

I get your tryin'
But I'd be lyin'

((Chorus))

*If I said yes, If I said go
If I said maybe we could be a little more than hello
Or fine, We'll see
You'd never ever get it really hear what I mean
I'd never wanna lead you on
So goodbye, good luck, good gracious baby just be gone*

Yeah you got looks, And money for days
But all of that good money honey ain't buyin' you really good taste

You're over the top, Your egos out of control
You're rubbing me the wrong way lately
Comin on too strong baby
Why can't you just leave me alone

((Chorus))

*If I said yes, If I said go
If I said maybe we could be a little more than hello
Or fine, We'll see
You'd never ever get it really hear what I mean
I'd never wanna lead you on
So goodbye, good luck, good gracious baby just be gone*

((Chorus))

*If I said yes, If I said go
If I said maybe we could be a little more than hello
Or fine, We'll see
You'd never ever get it really hear what I mean
I'd never wanna lead you on
So goodbye, good luck, good gracious baby just be gone
Goodbye, good luck, good gracious baby just be gone*
