TYPES OF OWNERSHIP

The American Hanoverian Society recognizes several types of ownership: Individual, Joint (two related individuals), Partnership (two or more unrelated individuals), Corporate (farm or business). Consider the form of ownership that best applies to your situation at the time of joining, and make your application for membership exactly as you wish it to appear on the horse's papers. Please keep in mind, when two individuals are listed as owners, if "and" is connecting the two names (e.g. John and Susie Smith), both are required to sign in order to release the ownership of the horse to the new owner(s). If "and/or" is used, parties (e.g. John and/or Susie Smith), then only one signature is required.
