

SELF-NARRATED AUDIOBOOK: THE PROCESS IN AS LITTLE AS 30 DAYS!

WORDCOUNT

Audiobook production/pricing is based on wordcount. What is the wordcount of your published book? 9,300 words equate to 1 "finished" hour.

RECORDING ENVIRONMENT ASSESSMENT

A full Zoom walk through and assessment of your recording environment including microphone, computer and software will be conducted over Zoom to ensure your ease and quality of your recording

CHAPTER RECORDINGS

Record and submit recordings to be edited/polished. 1st chapter can be used for effective marketing. This can be completed within 7 days

EDITS/POLISH

My skilled team will listen through your entire recordings, making edits, cuts and pasting to make it sound like one polished take! This takes the most time

SQUARE COVER

Submit a 2400 x 2400 pixel square design of your published book cover/ This can NOT be your book cover placed on a square canvas, it must be designed in square form.

AWESOUND DISTRIBUTION

Set up Awesound.com Author account that includes Stripe (This is where you get paid direct for each sale AND get readers' name and email info)! You keep 80% of the saleprice of YOUR choice!

FINDAWAY VOICES.COM 25+ SITES.
