

Lead Sheet Checklist

- Are the notes right; play back and listen
- Are the chords correct; play on the piano and see if something seems weird
- Check the lyrics; are the syllables assigned to the right notes
- Is the chord rhythm correct? Are they generally splitting the measure in half?
- Are the accidentals correct? Avoid Fb and B# etc. For notes and chords
- Did you put a composer and lyricist?
- Is this in your key?
- Do new sections start on the far left?
- Did you put double bar lines after each section?
- Is anything running into each other or overlapping?
- Is the title somewhere on the second page?
