no place I would ra-ther be than Ken-tuck - y - with you.

2. Livin' small, planning big,  
It all begins with a seed.  
We could travel the world, but home's just fine.  
Who needs the Central Valley?

3. I do hear the poets sing.  
The play of shade on the trees.  
From Muhlenberg to Pikeville to Paradise lost  
This land was made for you and me.
