

## **Jaelee Small Is Turning Tragedy Into Triumph In 2021 – New Single/Video For “Open” Out August 20<sup>th</sup>!**

After making a series of bold moves forward with her music throughout 2019 & the beginning of 2020 that included her *Memoirs (part ii/part iii)* EPs in the most pivotal year of her career, the momentum behind solo artist Jaelee Small was at an all-time high as she established herself within the scene & on playlists worldwide. With her charming charisma, relentless energy, and incredible voice, Jaelee was well on her way to becoming the artist she’s always been destined to be and fully embracing the love, support & enthusiasm from fans all over the globe as she emerged 100% equipped with X-factor talent.

Just as her career was looking up, Jaelee Small’s entire world came crashing down behind the scenes.

With the tragic & sudden loss of her mother in May 2020, Jaelee struggled for months & months to cope with the absence of her closest confidant and guiding light. The vast majority of the rest of the year was spent coming to terms with losing her mom, finding a way to navigate life without her steady influence and loving arms, and simply trying to function...to breathe...to let go. None of this would be easy – and Jaelee didn’t even dare to attempt anything other than the true self-healing her soul was crying out for.

What she would realize in her time spent away was a revelation, illuminating Jaelee’s pathway forward.

In recognizing the most sincere way to honor her beloved mother’s memory would be to become the best version of herself personally, and use her exceptional talents for the greater good of others – Jaelee began to put pen to paper again, and found her way back into the studio, confident, ready, & completely inspired to create her most amazing music to-date. Releasing the first-half of a tributary set of singles with “All The Time” in April, Jaelee returned to the spotlight where she belonged, bringing an authentic dose of audible catharsis along with her, and loaded with a sensational hybrid mix of Pop/Electro/Soul.

Not only did she save herself through music, but she discovered the power to help assist others as well.

On August 20<sup>th</sup>, 2021 – Jaelee Small releases the highly-anticipated follow-up single, “Open,” to every major music platform online. Guaranteed to move hearts & minds through an endearing & expressive song that reveals her stunningly unbreakable spirit – “Open” is an anthem for the heartbroken reborn. By embracing her thoughts, feelings & emotions, and communicating them as transparently & honestly as she can through her empowered, vibrant, beautiful & bold vocals, Jaelee has reached a pure level of astounding sincerity, empathy, and positivity that creates an immaculately comforting vibe listeners can genuinely connect with on every level. Leading the way towards better tomorrows for one and all with songs that come straight from the heart, designed to help heal those truly in need – “Open” is a radiant beacon of hope, a much needed light in the darkness, and a single no one should miss out on this year.
