

I Haven't Prayed - Daniel Dorman

Key A

Capo 2

Intro: G(A) / C(D) /

G C
I haven't prayed for a long long time
G C
I've been somewhere locked up in my foolish mind
G C
Seemed like talking to you was way out a line
G C
No I haven't prayed for a long long time

G C
I have been lost in all that seems so dark
G C
Most of all really just this selfish heart
G C
Been focusing on all that seems at odds with you
G C
No I haven't prayed for a long long time

D(E) C(D)
If you can make the stars then you could find me here
D C
If you died for me once then what have I to fear

G C
I have been feeling like I'll never measure up
G C
Like you threw me down a ladder but my hands aren't strong enough
G C
The worst part is when I start to want you less
G C
My heart becomes so shallow it gets easier to pretend

D(E) C(D)
If you can make the stars then you could find me here

D C
If you died for me once then what have I to fear

D C
If I am still your child won't you hear my plea

D C
I won't look to the sky but Lord have mercy

G / /
On me

Instrumental outro:

G / C / G / C x3
