I'm giving in and giving this heart to contrition

This life's just too long live alone

C/G
So I'm praying that you'll come down

And break these knees
Am G
If that's the only way their gonna bend
C/G
I'm praying that you'll rain down
Fmaj7
and melt this heart
Am G
tell it rolls right down my cheeks again

I heard you heard you whisper in the morning
Am G
I was busy doing something I regret

But somehow by grace and through surrender
Am G
All my doubt looks better looking back

To stop pretending

Am G
No I'm not alright, maybe I've never been

C/G
I'm ready now

To come back down

If that's the only way they're gonna bend
