

Dallas City

Key of Eb

Lyrics by Abbey Killin

Music by Kyle Herridge

Chorus 1

Dallas city, just take your time with me.

Dallas city, light up the night with me.

'Cause the way you make me love you, it's easy.

And I just can't get enough of the view of you baby.

Verse 1

Once you step downtown, the art in your soul will be found.

Filled with music and love all around,

Once you step downtown...

Chorus 2

In, oh, Dallas city, just take your time with me.

Dallas city, light up the night with me.

'Cause the way you make me love you, it's easy.

And I just can't get enough of the view of you baby.

Verse 2

I remember my hometown, it's peaceful way back in my memory.

I might miss it, but Dallas you've changed me.

Oh, I feel it so deeply in, oh, Dallas city.

Bridge

And, oh, N.Y. City they say is a place you can dream.

Run off to L.A. to be on the big screen.

But Dallas, there's something 'bout you.

Chorus 3

And oh, Dallas city, just take your time with me.

Dallas city, light up the night with me.

'Cause the way you make me love you, it's easy.

And I just can't get enough of the view of you Dallas.
