

Perfect

Key of F

Lyrics by Abbey Killin

Music by Kyle Herridge

Verse 1

Hey there, perfect everything, perfect smile, perfect personality.

Well I've known the best in you but that fact disappears when she walks in the room.

Always thought we'd get there, thought our lives were meant to be shared.

Well I guess you've never truly seen that I'm right for you why won't you believe.

Chorus 1

She may be pretty, she may be smart,

But darling she don't have the heart to love you,

The way I would, if you let me.

And oh, I know I could.

Verse 2

Hey there, perfect everything, you were the guy I'd go to for everything.

Almost told you what I feel, couldn't get out the words I tried hard to conceal.

Well she's so captivating, that you missed me hesitating.

'Cause you look at her the way I look at you, and it's clear to me now that I've fallen too soon.

Chorus 2

She may be pretty, she may be smart

But darling she don't have the heart to love you

The way I would, if you let me.

And oh, I know I could.

Bridge

And what a huge waste of time I spent thinking about if you would change your mind.

You left me when I gave it all to you, well that's reality, and I'm through with you.

I'm through with you.

'Cause I'm also pretty and I am smart so I'm giving up on having the heart to love you

The way I would, if you let me, but, oh, I know

Chorus 3

She may be pretty, she may be smart

But darling she don't have the heart to love you,

The way I would, if you let me.

But oh, I know!

Chorus 4

I'm also pretty, and I am smart,

So I'm giving up on having the heart to love you.

The way I would, if you let me.

And oh, I know I could.

Outro

Hey there, perfect everything, perfect, but not for me.
