

Breathe

(2019)

Album Notes

1. **Untitled**

Left untitled to serve each listener in their own way.

2. **Remembering SC**

An homage to our former band name and a more care-free time of life.

3. **Choose Joy**

Written for Alison's first niece, Tessa Joy.

4. **Jenny's Wedding**

Written with too many feelings to articulate, so named after the first place we performed it.

5. **Nelle's**

Written for a charismatic little one in Diana's family.

6. **Go in Beauty**

A melody that "fell out" of the 5-string fiddle, played in 3 different octaves to celebrate the instrument's expanded range.

7. **Looped**

Simple riff + a loop pedal = a whole orchestra of cellos.

8. **Airport**

Written after watching a wounded soldier's heartfelt homecoming in an airport.

9. **Ava's Lullaby**

When your friends start having babies, you write them tunes.

10. **Wonderwall**

A fist bump to an amazing band from our younger years: Oasis.

11. **Mother's Day Waltz**

Tunes make great Mother's Day gifts. Featuring our dear friend, David Howley of We Banjo 3.
