September 2021

It is our absolute pleasure to recommend The Band Wanted, Joshua and Candy Carpenter, for your event.

The Band Wanted performed at the 2021 Missouri Good Sam State Rally and we, as well as the crowd, could not have been more happy with their performance!

They were very personable and connected with the crowd within the first few notes they played. They performed a variety of music including popular hits from all eras and genres of music, as well as some of their own original music.

They may have started out as The Band Wanted; but they soon became Joshua and Candy to a whole bunch of new friends!

Do yourself and your event a favor and book them early!

Sincerely,

Scott and Cindy Leven
