Keys & Programming - Buzz McCoy

Kooler than Jesus

*I don't believe you're listenin'*

Kooler than Jesus

*You gonna jump up, and we're goin' crazy a lil' bit ya'll*

Kooler than Jesus...

*I was raised in Mississippi...*

*I'm the electric Messiah*

*The ac / dc God*

Kooler than Jesus

*Ya know darn well they're just manipulating you and that's all they're doing  
alright, alright, alright everything!*

oh yeah...

C-C-Come on baby, you can do it!

*Isn't that nice*

*I'm the electric Messiah*

*The ac / dc God*

Kooler than Jesus

Kooler than *God!*

*You gonna jump up... and we're goin' crazy lil' bit ya'll*

Kooler than *God!*

*I don't believe you're listenin'*

*Alright, now look at me!*

*I said look at me, don't turn your face away!*

*I'm the looking glass you created to see yourself in!*

*Have you taken leave of your senses?*

*Satan! Don't listen to them. Don't listen to them...*

*Somebody's lying and it's not me*

*Somebody's lying and it's not me, they're twisting my words*

*Don't listen to them, don't listen to them!*
