LOOK AT US WOW, LOSING CONTROL, SO TIRED AND VAIN  
LOOK AT US NOW, EVIL AND DAMNED, LIVIN' IN THIS WASTELAND  
LOOK AT US WOW, FADING AWAY, FEELING NO PAIN  
MAYBE WE'RE JUST BAD MAN  
MAYBE WE'RE JUST MAD MEN  
UGLY AND DRUGGED, UNDER A CROWN

*Everything will be fine. We will take care of you*

I SEE A FIRE IN THE CLOUDS, BURNING HOTTER THAN THE SUN  
I'M FLYING HIGHER THAN THE CLOUDS, COCKED AND LOADED LIKE MY GUN  
I SEE A FIRE IN THE CLOUDS, BURNING HOTTER THAN THE SUN  
I'M FLYING HIGHER THAN THE CLOUDS, FLOATING AWAY  
COCKED AND LOADED LIKE MY GUN

LOOK AT US WOW, LOSING CONTROL, SO TIRED AND VAIN  
LOOK AT US NOW, EVIL AND DAMNED, SHOULDA HAD A BETTER PLAN  
LOOK AT US WOW, FADING AWAY, FEELING NO PAIN  
MAYBE WE'RE JUST BAD MAN  
MAYBE WE'RE JUST SAD MEN  
BEATING US DOWN, FACE TO THE GROUND

*Everything will be fine. We will take care of you*

I GET EXCITED BY THE CROSS

*Get me someone I can talk to?*

*What just happened?*

*Oh you speak English. Look I just escaped. I was kidnapped and robbed!*

*Please calm yourself. Everything will be fine. We will take care of you.*
