It laughs when it cries

It lives then it dies

It's so high,

It's hi-fi

It's right in your eye

Dope Doll Jungle

Jungle of lust

Dope Doll Jungle

Who can ya trust?

Take another Thorazine

And cruise into the inbetween

*Who am I?*

*What am I doing?*

*I'm living a nightmare...*

Dope Doll Jungle

Jungle of lust

Dope Doll Jungle

Who can ya trust?
