You're a big star? You? You're a big star?

Sophisticated - Sophisticated living
Isolated, over-rated, sophisticated living...

She likes to be undressed
She lives in photographs
She lights a cigarette
She turns sex into cash

He's hot, he's obsessed.
He lusts for what is best
He likes the kinky sex.
He loves with no regrets

You're a big star? You? You're a big star?

Sophisticated - Sophisticated living
Isolated, over-rated, sophisticated living...
