Uh-huh! 1-2-3!

Who r u now? Who r u now?

Sluttin' down the street you fancy freak

Who r u now? Who r u now?

I'll ask you to hop in the car 'cuz I'm free

Split down the middle, little Sybil

1-2-3!

So crazy, crazy, crazy, crazy

You should be on a cross girl!

The way you move across the room...

Uh-huh!

You look like a spider lady

Crawlin' up the wall, creepin' down the hall

Right into your bed!

Who r u now?

Drivin' in a car

Down the street with diamond heelz on your feet

Uh-huh baby! Look at you!

Uh-huh baby! Look at you!

Who r u now? Who r u now?

Struttin' down the street little vampyre queen

Who r u now? Who r u now?

Let's go to the bar 'cuz the drinks are on me!

Split down the middle, little Sybil

1-2-3!

So crazy, crazy, crazy, crazy

You should be on a cross girl!

The way you move across the room...

Uh-huh!

You look like a spider lady

Slinkin' 'cross the floor, hangin' on the door

Step into her web!

Who r u now? Who r u now?

Sometimes I feel so hazy...

Who r u now?

Split down the middle, little Sybil

Sometimes I feel so hazy...
Who r u now? Who r u now?
