Have you seen the pages?  
Those magick pages?  
Contagious  
So outrageous!

Invasion! Invasion!  
Invasion of the ultra-modelz

They're out for danger  
Danger! Danger! (danger danger)  
Playing victim danger baby

They're out for danger  
Danger! Danger!  
Like sex with a stranger  
Danger! Danger!  
Playing vicitm danger baby  
(Playing vicitm danger baby)  
Danger! Danger!  
Like sex with a stranger

You lust them  
To touch them  
Again and again and again and again...

But you will never have them

They're ageless  
Yet faceless  
Indestructable  
Untouchable  
Invasion! Invasion!

Indestructable

Danger! Danger!  
Indestructable  
Danger! Danger!  
Indestructable  
Untouchable  
Invasion! Invasion!
