Hazy sister sunshine
Is the scum of the city's heat gettin' to you?
Sister sunshine
Mr. Eleganza,
Has the call of the glitter people clouded your view?
Chrome leather lover
Are you bad like the man who's been knockin' ya down?

Mr. Eleganza
Elevated beyond this electric dazzle

Lexicon limbo
His heart is seditous, and dagger slick vicious
He blinds us with kisses

Quicksilver boychild,
A silent son of the other kind
Slow motion rider, a prisoner of your master's mind
Dream devil dancer spills the wine of mind's contempt

Hazy sister sunshine
Is the scum of the city's heat gettin' to you?
Sister sunshine
Mr. Eleganza,
Has the call of the glitter people clouded your view?

Are you bad like the man who's been knockin' ya down?
Sister sunshine
