I live for drugs

It's great, it's great

I live for drugs

Flowers and acid...

It's great, it's great

I freaked out very, very badly

I freaked out on acid

I live for drugs

It's great, it's great

I'm the white rabbit

(scream)

Here where I will sit alone lost

Here I will dream, why give me a drink?

I need to think now

I've got to rid my stinking brain

I, I can't afford it I would never buy drugs

I live for drugs

It's great

I'm the white rabbit

Black boots, highway broads

Dope forever, forever loaded

Black boots, highway broads

Dope forever, forever loaded

Black boots, black boots...

I freaked out on acid

I'm the white rabbit

(scream)

Here where I will sit alone lost

Here I will dream, why give me a drink?

I need to think now

I've got to rid my stinking brain

I freaked out very, very badly...

My friends turn me on...

I can't afford It, I would never buy drugs...

(chant)
Flowers and acid
I love flowers...

Joan! Joan!
Bitch! I'm gonna find her, and I'm gonna kill her
