And this is what the devil does...

Satan!

Our lord and master

You're turned on most of the time on one thing or another

G-G-Get outta here!

You liars repent!

You know I must be crazy, to show this as my way of living

G-G-Get outta here!

My Life With The Thrill Kill Kult

What are you trying to do drive me crazy?

I can't be anything except what I am!

Ooh whoo, woo-hoo

Ooh whoo, awe yeah!

You liars repent

You know I must be crazy, to show this as my way of living

Satan!

And this is what the devil does...

I've grown up on drugs so much, I don't think I can come down, i really don't!

My Life With The Thrill Kill Kult

And everybody thinks I'm high, and I am!

Oh how I hate black...

You know I must be crazy, to show this as my way of living

I find that it's easy, cutting up the pieces

G-G-Get outta here....

Satan!

Would you like to be happy?

Well, I mean really happy...

My Life With The Thrill Kill Kult

Satan!

What are you trying to do, drive me crazy?

I can't be anything except what what I am!

You liars, repent

Oh how I hate black!

What are you trying to do, drive me crazy?

And this is what the devil does...

And everybody thinks I'm high, and I am!
