Hot child, hot rod, hot blood, hot-dog!

Yeah star baby, yeah star baby, yeah star baby
Take me higher!

Fly me to a place beyond the sun
Love me, yeah rock it to the rhythm
I want more than pretty kitty thrill me's
And cheap kisses in your little dirty movies

She trips and dreams through cirrus skies
She rides the road to paradise
Her hard love heart lies lost in lust
Vicious vixen, mission stardust

Yeah star baby, yeah star baby, yeah star baby
Take me higher!

Fly me to a place beyond the sun
Love me, yeah rock it to the rhythm
I want more than pretty kitty thrill me's
And cheap kisses in your little dirty movies

Stranger than strange is strange-loves hand
Little hungry Venus in Wonderland
Her hard love heart lies lost in lust
Vicious vixen, mission stardust

Star baby take me higher
Take me higher!
Higher, higher!

Glamour is my only weapon

She's a hungry Venus
Yeah star baby
Mission stardust
Yeah star baby
She's a vicious vixen
Yeah star baby

Mission stardust
