Bored with your sex life

Oh yeah

Bored with your sex life

Bored with your sex life

Oh yeah

Leathersex

Embrace this night of power
Kneel beside me take my hand
Strip before the altar
Let's test the blood of our command

Groove on, assume the motion
Breathe the holy pain it resurrects
Bathe me in leather
Bathe me in leather, drown me in your sex

We tread where angels fear to go
Where childish crimes are yours and mine
Lick the tears from my face
Be my slave, my soul divine

Groove on, assume the motion
Breathe the holy pain it resurrects
Bathe me in leather
Bathe me in leather, drown me in your sex

Where is the action?
Action is action
Action makes things happen

Yeah
