

Lloyd Spiegel – 2021

Biography:

Somewhere between songwriter, social worker and truth-seeker, sits 14X Australian Blues Award winner, Lloyd Spiegel. Named one of the top Australian guitarists of all time, Lloyd blends comedy, storytelling and jaw-dropping guitar chops to provide one of the most unique, solo, acoustic concert experiences in the world.

Picking up the guitar at age 4 and playing his first professional show at age 10, Lloyd can't remember a time before playing guitar. By 16 he was on tour in the United States and has since performed at major festivals and iconic Juke Joints around the globe. He has supported the likes of Ray Charles, Bob Dylan and Etta James on tour and has sat with the founding fathers of modern blues including Brownie McGhee, who taught him the most important part of being a blues musician: connecting with everyday people.

Growing up in the music business, Lloyd is passionate about promoting the blues scene and mentoring the next generation. He has taken countless young artists under his wing who have since become multi-award winning performers in their own right and he has been an advocate for blues in Australia.
