***The Van Halen Invasion*** is a truly innovative tribute show. Van Halen tribute bands typically cover either the early years with David Lee Roth or the later years with Sammy Hagar. ***The Van Halen Invasion*** skilfully reproduces the sound, the look, and the excitement of a live Van Halen show featuring two lead singers portraying Diamond Dave and The Red Rocker respectively. By encompassing both eras, your audience will truly experience ***"The Best of Both Worlds"***.

***The Van Halen Invasion*** show is about having fun. When it comes to a party atmosphere; Van Halen's music is the perfect fit for any event wanting high energy entertainment. The response to the show has been outstanding. From the first power chord to the last encore your audience will ***"Jump"*** out of their seats to ***"Dance the Night Away"*** and sing along to every song.

***The Van Halen Invasion*** show is unmatched. No other Van Halen tribute band brings the entire package together like this; two dynamic frontmen portraying the rival lead singers in voice, costume and attitude, while backed by a rock solid band delivering all the greatest hits. Plus a stage set reminiscent of Van Halen's glory days of arena rock. From the multitude of guitar cabinets, the enormous drum kit, all the iconic Edward Van Halen guitars and many Michael Anthony replica bass guitars. The production value is unsurpassed.
