

New Orchestral Hits 4 Kids - Mr. E & Me

Wet Socks

My socks are wet, I tried to make a tidal wave on the way to school

I jumped into a puddle like a fool

But things never seem to go the way I plan

My socks are wet, my toes look like four raisins and a prune

But not the kind that you eat with a spoon

Now I'll never, ever eat raisin bread again

My socks are wet

My socks are wet

My socks are wet

And I'm freezing

My socks are wet, my toes are squished up against each other

They swim like fish but fight just like ten brothers

And when I walk, I look like a frog man

My socks are wet

My socks are wet

My socks are wet

And I'm freezing
