

Brook Adams is El Borko

...but El Borko is not Brook Adams

Good Quotes:

"Even when he's singing about a relationship breaking up, he does so with a sense of humor."
- Eugene Register Guard: May 13, 2011

"Brook Adams has that rare gift: the ability to shift from charming to smarmy and back again, like Tom Jones without the screaming."
- In Town Magazine, Eugene, OR: July 1994

El Borko:

Inspired by modern surf bands; Daikaiju, Eliminators, Slacktone and classics; Belairs, Chantays, Del-Tones. With my friend Jon Neher, we have a sound that's kinda surf, kinda something else.

Brook Adams:

I'm a composer/performer in the style of Americana, traditional R&B and 60s/70s pop. I have played guitar and ukulele in the Pacific Northwest since the 90s.
