

~ How to Worship with us ONLINE ~

1. GATHER:

If you're at home with your spouse, family or significant other(s) **begin by gathering** around a table, or in your family/living room. If it's just you maybe you could just join us with your computer, tablet or phone and a friend to "join" you for worship by doing the same.

2. FOCUS:

Once you're in place **light a candle** to symbolize the presence of the Holy Spirit. This is a good way to signal that you are entering into sacred time, and the place where you were chatting and laughing just a moment ago has become a sacred place.

3. PARTICIPATE:

Follow along with the online service- use the pdf order of service (Available through email or on our website, www.BethelUCCOntario.org)

4. READ:

Read the scriptures along with us. (They are in the online order of service, or use your own Bible)

5. SING:

Sing along with us (the words are there for you on screen and in the "bulletin"!)

6. LISTEN:

Listen to the service, **say the prayers** with us, **take notes** on the sermon!

7. CLOSE:

After the Benediction, **Blow out the candle.**
