

LET IT BE SO

© 2010 by Heather Pierson

Love in our hearts  
Love in each action  
Hope for our future  
Hope for each new day

Let it be so, let it be so, let it be so

Joy in our movement  
Joy in every step  
Compassion for all people  
Compassion in every word

Let it be so, let it be so, let it be so

Peace for our planet  
Peace in every breath  
Peace in our lifetime  
Peace in every moment

Let it be so, let it be so, let it be so  
Let it be so, let it be so, let it be so
