"If you're one of those people who likes any style done well-- old-school jazz, folk, pop, classical--you'll love this prodigiously talented threesome. Keyboards, brass, all sorts of strings, and beautiful singing make for a dynamic show packed with energy and surprises."

Sarah Craig | Caffe Lena | Saratoga Springs, NY

The Heather Pierson Acoustic Trio—Heather on vocals/piano/strings; Davy Sturtevant on strings/brass and vocals; Shawn Nadeau on bass and vocals— are three NH-based musicians from three generations creating original Americana inspired by the streets of New Orleans and the hills of Appalachia. They burst upon the national folk scene with the release of their debut EP, *Still She Will Fly*, whose title track was the #2 single on the Folk radio charts for the year in 2015. They've been touring the US ever since with live performances that feature Heather's multi-genre songwriting, their instrumental ease, and their stirring three-part vocal harmonies. With their 'traveling music store' of instruments, this trio delivers heartfelt music with brilliant musicianship, wit, and earthy charm.
