

Stir It Up

Written by Bob Marley

It's been a long, long time
Since I got you on my mind.
Now you are here, and it's so clear
To see what we can do, baby, just me and you

Stir it up, little darlin', stir it up
Stir it up, little darlin', stir it up

I'll push the wood, then I'll blaze the fire;
Then I'll satisfy your heart's desire
Stir it up every minute:
All you got to do is just stay in it

[Chorus]

Quench me when I'm thirsty;
Come on and cool me down, baby, when I'm hot
Your recipe is, it's so tasty,
When you show and stir your pot

[Chorus]
