

## Stays

Calman Hart

She doesn't love him and she don't know why  
It's just a feeling that died  
She tries to tell him but she starts to cry  
Every time

When he asks what's making her blue  
She tells him it's just a bad day  
Then she looks in his eyes  
And stays

She wrote a letter and it said goodbye  
It was all she could think of to say  
She tore it up before the ink was dry  
And threw it away

She's going out of her mind  
She can't go on living this way  
But she looks in his eyes  
And stays

She knows that he's crazy about her  
She knows that he'd be lost without her  
It breaks her heart to think of him alone  
So she tells herself it's not so bad  
And it's wrong for her to feel so sad  
But she's lying to herself  
Her heart is somewhere else

Lying together in the bed at night  
He reaches for her hand  
He says "I love you" and she starts to cry  
Again

When he asks what's making her blue  
She tells him it's just a bad day  
Then she looks in his eyes  
And stays
