# The Cavalier Chronicle

Volume 5, Issue 5

**Presidents Message** Hope everyone had a great Memorial Day weekend. As we remember all the Veterans and all those who are protecting our freedoms, let's also remember the folks and the lost pets in Moore Oklahoma.

Great things have been happening at the CKCSC Atlanta meetings. We had an awesome meeting in May and I am proud to say the room was full. We had to bring in more chairs.

Sue Hardwick Bess is doing a fine job with setting up programs and I can see that educational programs do bring in attendance.

At the June meeting Dr. Michelle Tillman will speak to us on keeping dogs young. In August we will have Dr. Carmen Battaglia speaking on breeding better dogs. Part of his talk will be how to study and learn from a pedigree. The September meeting will bring us Dr. Pat Joyce, an infection disease specialist and Cairn Terrier breeder, with her "Poop 101" presentation on what can go wrong in the GI tract. In October we will be visited by Royal Canin with a presentation on keeping your kennel clean.

**So mark your calendars and let's all continue to support our club by attending meetings.**

Alice Alford, President

## Upcoming for the June Meeting

Those of you who missed the May meeting missed out on a fabulous program and discussion. Susan Hardwick Bess has done a wonderful job bringing us important educational programs. For the May meeting we were pleased to have "Ticks and Fleas and Worms Oh My!" presented by Dr. Carole Amos and Dr. Zack Mills of Tiger Tails Animal Hospital in Duluth, GA. We learned a great deal about vaccines, parasites and tick-borne diseases and joined in a discussion of parasite control in breeding animals. Susan has several excellent programs on the schedule for the next several months....even into 2014. At the June meeting Dr. Michelle Tillman will speak to us on keeping dogs young. In August we will have Dr. Carmen Battaglia speaking on breeding better dogs. part of his talk will be how to study and learn from a pedigree. The September meeting will bring us Dr. Pat Joyce, an infections disease specialist and Cairn Terrier breeder, with her

"Poop 101" presentation on what can go wrong in the GI tract. In October we will be visited by Royal Canin with a presentation on keeping your kennel clean. The programs that are scheduled in 2014 include a visit from AKC Field Rep Tim Pawling and a refresher talk on cardiology by Georgia Veterinary Specialists. Many thanks go out to Susan for doing such a wonderful and important job. As you can see, one of the most important benefits of CKCSCGA membership is education. If you are not attending our monthly meetings you are missing out on a tremendous opportunity to expand your knowledge. Not only do we learn from our informed speakers, we learn from each other through the discussions that always go along with the presentations. We look forward to seeing all of you at our upcoming meetings.

## Chef's Corner

### Fowl Weather Treats

- 2 Large jars of chicken– flavored baby food
- 4 Cups cooked ground Turkey
- 1 Cup grated cheddar cheese
- 1 Cup cheddar cheese cracker crumbs
- 1 Tsp. Poultry seasoning
- 1 Tsp. garlic powder
- 1 Medium onion, minced
- 1 1/2 Tsp. salt

Crushed cracker crumbs

Mix all ingredients and roll into balls (sized to suit your dog). Roll balls into additional cracker crumbs. Place on wax paper lined baking sheet and freeze until solid. Transfer to freezer bags and store until ready to use.

When it is treat time, take out as many as needed, place on ungreased baking sheet. Bake at 350 degrees for 5-7 minutes or until cheese melts. If you want to serve only a few, heat in microwave until cheese is melted.
