February 2013

Volume 5, Issue 2

### ***Presidents Message***

A big thank you to everyone who had a part in making our specialty show, auction and banquet a success. This means everyone, contributors, exhibitors, workers, and even those who bid at the auction.

Now that the specialty is over, we can look forward to educational programs, fun day in the fall, our election of new officers and board and much more. There will be a lot of planning for the next Specialty, lots of decisions to make, judges to contact and funds to be raised.

Remember, our March meeting is on March 5. At this meeting we are having a shower for Holly and little Gracie. Hope to see you there !

Alice Alford, President

Hello,

My name is Jean Headley and I am with the Azalea City Toy Breeds Club of Alabama, in Mobile, Alabama. Our club is interested in sponsoring a George Alston Handling Clinic taught by Norma Smith July 20-21, 2013. This is a two day clinic for Advanced and Beginner handlers. Each class is limited to 20 students, the cost will be no more than \$150.00. Norma has been an associate of George Alston for many years and has worked with George. The class is to teach amateur handlers how to beat professionals at their own game in the competitive conformation ring. "Each dog is and individual," says Alston, "You have to learn where your dog's buttons are. What motivates him?" I can personally testify that the class has helped me, and is well worth the time and effort to attend, and yes I'd do it again!! We have located a very nice venue which is located close to Gulf Shores Beach. Make it a family vacation. Your family can go to the beach while you are at the seminar. There are hotels which take dogs.
