Hailing from Falls Church, Virginia, Indigo Boulevard makes rousing summer anthems and dreamy ballads to escape the suburban blues. The band started as a group of old friends from youth theater playing music together on weekends. Following a lo-fi 2019 EP “Cloud Noise,” a hit surf rock single “Drive Me Home,” and a string of sold-out underground shows, Indigo Boulevard quickly emerged as one of Northern Virginia’s most buzzworthy indie acts.

Discography

Saccharine (2019/single)

In the Moment (2019/single)

Cloud Noise (2019/EP)

Drive Me Home (2020/single)

Downhill (2021/single)
