

1-2-3-4!

A                    A  
Just watch me play the keys

G                    G  
I'll bring you to your knees

A                    A                    D                    D  
Cause I am powerful and strong

A                                    A  
Clap your hands and move your feet

G                                    G  
As I drum to this sweet beat

A                    A                    D                    D  
It's okay if I make mistakes because...
