

BRAVE

G

You can be amazing

G

You can turn a phrase into a weapon or a drug

Em

You can be the outcast

Em

C

Or be the backlash of somebody's lack of love

D

Or you can start speaking up

G

G

Nothing's gonna hurt you the way that words do

And they settle 'neath your skin

Em

Em

Kept on the inside and no sunlight

C

Sometimes a shadow wins

D

But I wonder what would happen if you

G

Say what you wanna say

Em

C

And let the words fall out

D

Honestly I wanna see you be brave

G

With what you want to say

Em

C

And let the words fall out

D

Honestly I wanna see you be brave

G

I just wanna see you

C

I just wanna see you

Em

I just wanna see you

D

I wanna see you be brave

(Repeat 2x)

G

G

Everybody's been there, everybody's been stared down

By the enemy

Em

Em

Fallen for the fear and done some disappearing

Bow down to the mighty

C

D

Don't run, stop holding your tongue

G

G

Maybe there's a way out of the cage where you live

Em

Em

Maybe one of these days you can let the light in

C

D

Show me how big your brave is

CHORUS

Em

G

And since, your history of silence

C

Won't do you any good

C

Did you think it would?

Em

G

Let your words be anything but empty

D

D

Why don't you tell them the truth?

CHORUS

G

I just wanna see you

C

I just wanna see you

Em

I just wanna see you

D

I wanna see you be brave

(REPEAT 4X)
