The Tartan

Scottish Terrier Club of Michigan

President's Message

Dear Members and Lovers of Scottish Terriers,

Our fall Specialty was great fun, we had old friends, new friends and a lot of beautiful Scotties.

I felt we had a very nice entry and wonderful judges. I would like to thank Judge Mrs. Rosalind Kramer for regular classes, Joanne Kinnelly for our sweepstakes and Chris Gamble for our Friday night puppy match.

Big thank you to our members and sponsors that helped make our show possible. The board...wow everyone did a great job. The raffle was great fun, food was wonderful and I feel we had less pressure this year with the show.

I want to thank our members for again putting on a spectacular independent specialty show.

I noticed new exhibitors, and Diane Ray drove up from Florida and attended the show in her vintage car.

Big thank you, again, to every one.

Agility - Franklin - Standard Level 2. Completed 2 more legs of Level 2 in Standard in July and August. Both Monster runs and well below allowed time. Only entry that aroused crowd and had them clapping and cheering. One longtime Judge said Franklin is the fastest Scottie he has ever seen.

We love to see scotties in Agility. Congrats Franklin!

Scottish Terrier Magazine

We received a letter from a couple in Rose City, Michigan this week from Carol and Bill Powell. They have been owned by scotties for years and just recently lost their last dog. They have several years of the now defunct Scottish Terrier Magazine. The magazine was published from 1999 through 2016. They are willing to give the magazines to anyone that is willing to meet them half way to pick them up. Bill email's address is: billpowell6@aol.com, if interested.

Health

From the STCA Website:

STCA/HTF DNA BANK

The HTF has established a Scottish Terrier DNA Bank with **RESERO GENOMICS** in Salt Lake City, UT for the preservation of Scottie DNA, to monitor genetic and genomic data of the breed, and to provide high quality DNA samples for future research and DNA testing to benefit all Scotties. This one of a kind DNA Bank provides a unique opportunity for all Scottie owners to contribute to the body of Scottie genetic data while maintaining control of their own dogs' DNA. The DNA Bank will serve as an important asset for breeders and researchers, both now and in the years to come.
