

The Farnum Family

Press Kit

"I recommend the Farnum Family as ambassadors of the rich musical heritage of Missouri. I know the group to be accomplished both instrumentally and vocally, and they are entertaining on a professional level. This group is also flexible and sensitive to the needs of the promoter."

From the Missouri Ozarks, the Farnum Family performs in the Branson area and around the country. For over 15 years they have taken their energetic blend of musical entertainment and homespun family humor throughout Missouri, the Midwest, and points beyond.

The Farnum Family performs at festivals, historic theaters, state and county fairs, and other family-oriented venues. Since 2006 they have been a part of Silver Dollar City's annual Bluegrass & BBQ Festival and other events hosted by the park.
