June 28 – July 2, July 5-9, Aug 9-13

Led by Teacher Michelle and Teacher Shelby, these camps celebrate the benefits of multi-age groups. They promote an atmosphere of cooperation, teamwork and peer teaching while meeting the needs of each child. Older children assist younger students as helpers while building confidence and sense of responsibility. Each week will have a different FUN theme. Activities offered during camp might include cooking, water play, hands-on science, crafts, gardening and a surprise or two.
