

# Hope of Glory

Patricia W. Felker (ASCAP)

We can be tossed and turned  
By what we're taught,  
What we've learned in this world around us  
The choices astound us

We've got to check the facts  
And look in our hearts  
At what attracts us to this calling  
Or we could be falling.....

Back to the time we were on our own  
Before the seed was sown  
Before He placed.....

Christ in You  
Christ in You  
The hope of glory,.....glory  
Christ in me  
Christ in me  
The hope of glory,.....glory

We've got to step aside  
This power to change,  
To be alive, comes from His Spirit  
There's no need to fear it

We've got to put to death  
The earthly desires we have left  
If we're to grow up  
To go up when Christ appears

He's looking for evidence of new life  
From living the truth in Christ  
He's looking for..... (Chorus)

His work will not be done  
Until at last He's formed  
The Spirit of our God in every part of you and me  
Our evidence of hope .....in glory.....glory .....  
Our evidence of hope in glory
