Come close  
Here next to me  
Shed your tears  
Set them free  
This pain will fall away  
Tomorrow is a brand new day

The sun will rise  
To light the way  
The sorrow in your heart  
Was never meant to stay

Come close  
In my embrace  
I feel your heart  
With all God's grace  
Know that you are not alone  
Your joy will lead you home  
To roam  
Atone
